

# Student Printing for Graphics/Print Intensive Courses

## School of Humanities, Arts and Social Sciences

Fall 2012

Students enrolled in graphics/print intensive courses will have access to the resources below. Access to the resources will be on a first come/first served model. You will receive a \$10.00 credit for use specifically on the HASS color laser printers only. If you are enrolled in more than one graphics/printing intensive course, it is your responsibility to contact the Tech Team to request additional credit for the other course(s). The costs for the pages are outlined below. Students are responsible for monitoring their own balance via the website. Once the credit is depleted, the charges will be billed directly to the student bursar account.

The initial credit will not apply to the large format printer/plotter in West Hall 415 or any other HASS or non-HASS printers. All use of the large format printer/plotter in West Hall 415 will be billed directly to the student bursar account with every print based on the paper/medium choice and print size.

Contact Tech Team: [hasshelp@rpi.edu](mailto:hasshelp@rpi.edu)

Check your balance: <http://hass21.win.rpi.edu/printusage>

Large format information and schedule: <http://www.arts.rpi.edu/pl/iear-studios-facilities/advanced-graphics-production-studio>

Resources:

Location	Printer	Network Path	Access	Formats	Costs
Sage 2300A	Xerox Phaser 7800	\\hass21.win.rpi.edu\sage2300-colorprinter-ps	Unsupervised, 24x7	8.5x11, 11x17	\$.20 pp color
West Hall 214	Xerox Phaser 7760	\\hass21.win.rpi.edu\wh214-phaser7760dx-ps	Unsupervised, 24x7	8.5x11, 11x17	\$.20 pp color
West Hall 415	Epson 9800	*direct from West Hall 415	Supervised, Scheduled	Up to 84"x42"	\$7-\$18 per linear foot

\*By default, students enrolled in courses in West Hall 214 will have access to that space and students enrolled in courses in Sage will have access to the printer in Sage. Access to the other printer/space may be requested by contacting the Tech Team.
